

# NCEA

We offer the National Certificate of Educational Achievement qualification. We have confidence that NCEA prepares students well for future independent learning at university and other tertiary institutions both nationally and internationally. Our students gain entry to overseas universities including Yale, Brown, Cologne, Tokyo, Sydney and Melbourne.

Our teachers offer the highest level of expertise and experience with NCEA. Many are involved at national level.

## NCEA Qualifications 2010

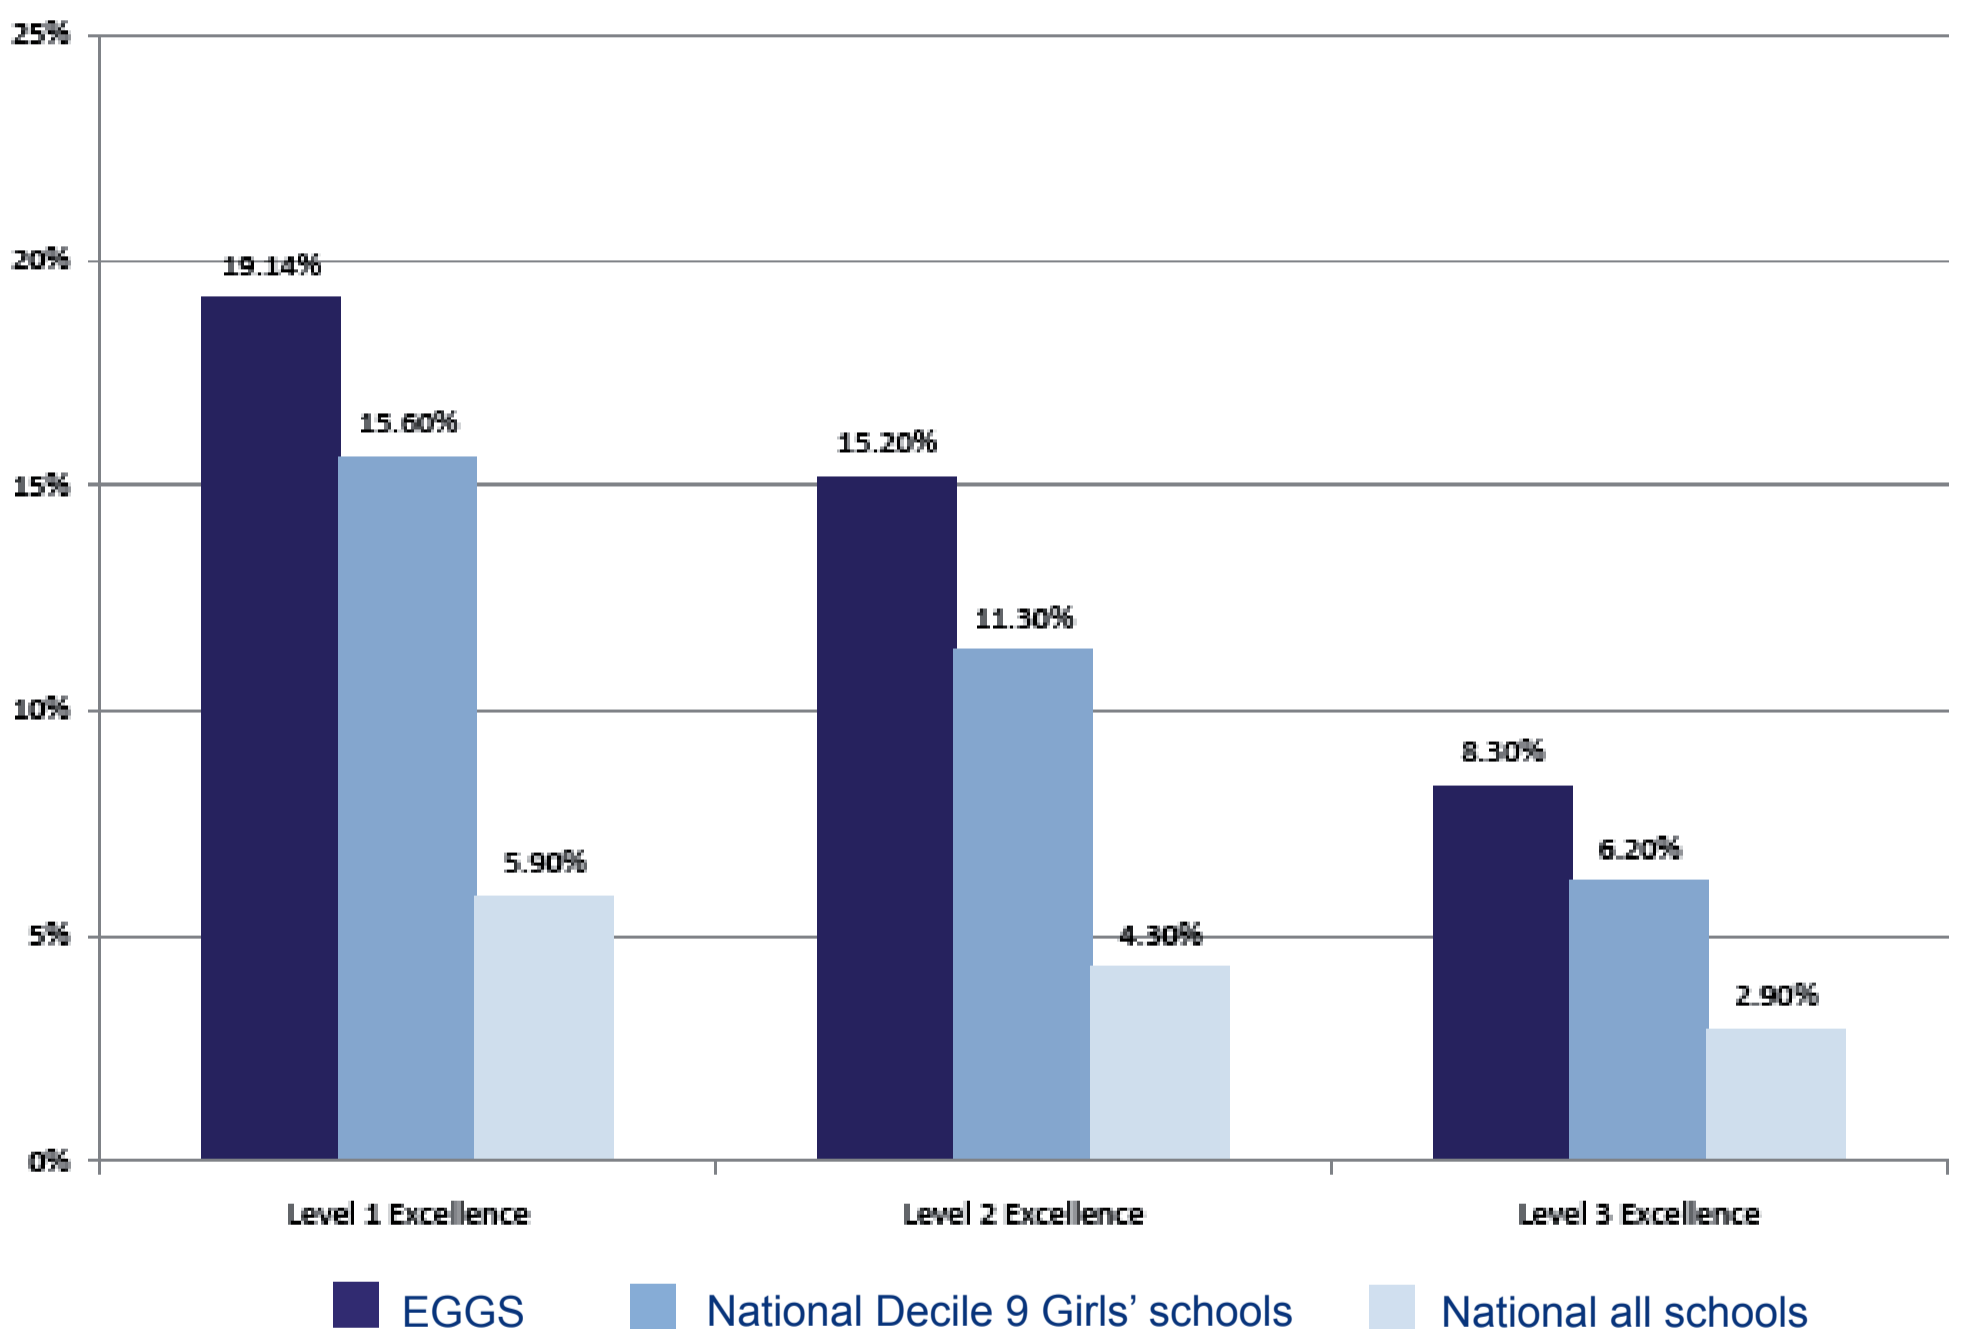

### EGGS pass rate compared with All NZ Schools

# QUALIFICATION ENDORSEMENTS

Merit and Excellence Certificate Endorsements recognise high levels of attainment. Our students have performed very favourably when compared with all New Zealand Decile 9 Girls' Schools as can be seen in the graph (Epsom Girls Grammar School is a Decile 9 school).

**2010 EGGS Excellence levels compared to Decile 9 Girls' Schools and National All schools**

# SCHOLARSHIP EXAMINATIONS

In 2010 a total of 78 NZ Scholarships were gained across 20 subject areas. This total included 9 Scholarships at Outstanding level. Four students gained 3 or more Scholarships - providing them with significant financial assistance for their tertiary study.
