**FABULOUS 2016 FOUNDERS AWARD RECIPIENTS INSPIRE STUDENTS**

For the second year in a row the OGA has brought the Founders Awards back into the School with the recipients addressing the senior girls at assembly and their speeches being live streamed to the junior School in their classrooms. This was followed by a morning tea in the staff room with their families, members of the senior leadership team, student leaders and Old Girls Association representatives. The Founders Awards assembly was held on Tuesday 14 June to recognise the achievement, service and excellence of Judge Heather Simpson CNZM in the law and the judiciary; Anne Norman CNZM in New Zealand business development and leadership; and Dr Michele Cox in football international competition and social development. Due to overseas commitments Michele Cox was represented by her mother, Barbara Cox and niece Trinity. Citations were read out by senior students Mariam Rasheed, Jackie Sykes and Jess Philpott. Each recipient then addressed the School.

**MAKE SURE YOU AND YOUR FRIENDS ARE IN THE OGA LOOP**

*If you know of someone who is not receiving the newsletter but would like to have a copy posted or sent by email please let us know.*
Heather Simpson reminisced that the Hall she was standing in had only opened in her last year at School. It felt special for her to be back here. The Judge talked about the different legal roles she had been involved in and how very early on in her career she learned the importance of following more passive forms of dispute resolution rather than taking an aggressive approach. Heather has now retired as a Judge and currently spends time volunteering at a local primary school helping 8 year olds with their reading.

Anne Norman told the girls that school had not been a happy time for her. The best thing she did after leaving school was do a typing course. She said she is a classic example of how even if you are not happy at school, life can engender happiness if you take up the opportunities. The companies that Anne and her husband own employ over 11,000 people making them one of NZ’s largest retail employers. Anne has interviewed thousands of people for jobs. She says one of the first things that an employer looks at on an applicant’s CV is the school they went to. Anyone with EGGS on their CV can be sure that they have an immediate advantage as the reputation of the School counts. Anne promoted a retail career as one that provides many opportunities in a range of fields including marketing, accounting, human resources, and purchasing to name a few.

Dr Michele Cox addressed the students via a pre-recorded video link and related that being a successful woman in sport (football) both as a player and then as an administrator was not easy in her day. She had to work hard and be persistent to get ahead. She started at a time when there were no women in Sports administration and now there are a lot. Michelle said she would use negative comments that were made to her to inspire her in a positive way and make her try even harder to get ahead. The Cox family are all high achievers in sport with Michele and her mother Barbara at one time playing in the same National football team and her sister Tara currently managing the Rio Olympic team.

**FROM THE CO PRESIDENTS**

It’s been a busy time, with the AGM and the Founders Assembly. We love the connections we make with past students who have gone on to achieve success in many different ways, here and overseas, and honouring our Founders each year is a real highlight.

We are sad to farewell Kathryn Seagrave who is stepping down from the role of Co-President as she is relocating out of Auckland. She has contributed hugely to the OGA and school community and we will miss her elegance and insight. We wish her and her husband Jeremy (who has helped the OGA in many ways too) all the very best for their big move to the countryside in the Wairarapa. Enjoy the new adventure Kathryn, and thank you for all you have done for OGA and the students through the years.
Lynley Banbury-Sheweiry steps into the role of Co-President. Lynley is an honorary member of OGA, is on the EGGS Board, the Centenary Committee and has been a long-serving PTA member. She gives a lot of energy and time to each role and is a valuable member of our School community. Julie Goodyer undertakes the role of Secretary/Treasurer, as well as chairing the Centenary Committee. She has also been elected to the EGGS Board in the 2016 elections. It’s a huge amount of work ensuring all OGA affairs are in order, and we’d like to thank all Committee members for their efforts and contribution. The other members of the Committee are Patricia Milner – Staff Rep; Rachael Banbury – Student Rep, Rosemary Bellamy, Fiona Cottam, Mary Hall, Margi Leech, Donna Corse-Scott, Virginia Bishop, Katharine Collins and Bridgette Sullivan-taylor.

We were really disappointed to have to cancel our first Scriptor Series event scheduled for 22 June, due to lack of ticket sales. We had a great evening planned and promoted it far and wide in anticipation of a fun and enlightening fundraiser event, and it was a real shame to have to pull the plug, but we can’t go ahead with such events without the support of our members, the School and community.

We are excited to be part of the School’s Centenary next April. The School staff and organising committee have done an excellent planning job as we count down to what promises to be a series of wonderful and memorable events.

Lynley Banbury-Sheweiry and Sally Blyth, Co-Presidents

FROM THE PRINCIPAL

The major building project over the last few years has been the Joyce Fisher Sports Centre which was officially opened on 14 April this year. The Old Girls Association has been closely involved in this project. The donor boards are about to be updated to showcase the most recent EGG plaque donors and I know that there is a strong drive to have all EGG plaques purchased by the time we celebrate the Centenary next year. I would encourage anyone wanting to secure an EGG plaque to get in touch with the Foundation Office foundation@eggs.school.nz

Restorative practice is a key implementation project in the School with a significant proportion of the staff now having completed either two or four days of training since this initiative began late in 2014. It is something from which we are seeing daily benefits and is a natural progression as part of the EGGS culture of constructive relationships. As well as professional development this term in this area we have also had a Teacher Only Day framed around Compassion – a School Value.

Planning for the Centenary really gained momentum during 2015 and we have now gone live on iTicket. The Centenary Committee provides a wonderful opportunity for collaboration between school and alumnae to create five days (5-9 April 2017) of celebration of this fine school, catering to a wide range of interests and ages. We are learning as we go and I would like to formally thank all members who are Old Girls and especially Julie for her leadership of this committee at this point in the process – we are almost out of the big decisions time and into the ‘let’s now get the detail organised’ phase and it is all beginning to seem very real. Alumna Nicola Rennie and a new staff member, Najira Khanam, are working closely together with Tric Milner and myself, the Centenary prefects Nastassia Pearce-Bernie and Casey Rei as well as Annabelle Rennie-Younger, our Centenary student representative on the committee.

Finally, the Founders’ Award Assembly held recently was a wonderful occasion, recognising the achievements of Judge Heather Simpson, Anne Norman and Dr Michele Cox. It was an inspiring morning and we hope that here at EGGS today we continue to encourage students to be confident, resilient, equipped with the skills, experiences and qualifications to take the next steps beyond school - ready to do some of the things that we heard about from the recipients – to try things – to take some risks; to work hard - to persevere when it can seem tough; to give of their best; to have a sense of purpose that goes beyond self; to seize opportunities; to be considered and also innovative; to enjoy and love what they do.

EGGS CELEBRATES 99 YEARS AND COUNTING

On 5 April EGGS celebrated its 99th Birthday. This was marked with a special assembly at School. The Head Prefect Team wore uniforms of past years and students heard about the development of the Centenary Logo, saw images of EGGS over the past 99 years, had a countdown, launched the School Facebook page and participated in chants and the singing of the school song.

ANNUAL MORNING TEA – 6 APRIL 2016

EGGS Old Girls - you are amazing! Nearly 100 Old Girls turned up at Epsom House on 6 April for the EGGS OGA Annual Morning Tea and School tours including 11 ladies from Tauranga who hired a mini bus to come. You should have heard everyone singing the School song. There was a round of applause for our Old Girl Helen Clark when we asked everyone to support her bid for Secretary General. Past President and Past BoT member Patricia Maud was presented with flowers for her 90th birthday. Dr Margaret Guthrie who started at EGGS in 1937 was also present. On the School tours we were able to have one last look inside the “Old Kitchen” which is the only remaining wooden building in the School grounds and which is to be relocated to Northland in the near future.

70 YEARS ON AND 60 YEARS ON REUNIONS

After the Morning Tea and School tours those Old Girls who started school in 1946 (70 years ago) and 1956 (60 years ago) returned to Epsom House for their luncheon reunion. The ladies were joined by the Tauranga group who enjoyed a shared buffet luncheon before their bus left for Tauranga. Jude Dobson attended the 1946 luncheon on behalf of her late mother Naomi Kirk (Griffiths) who passed away in February.
FRANKLIN BRANCH AGM

Franklin EGGS Old Girls held their Franklin Branch AGM on 12 April 2016 at Pukekohe. The branch is planning a special Centenary dinner for Franklin based Old Girls in May or June 2017. This will be advertised in local papers and the OGA newsletter.

JOYCE FISHER SPORTS CENTRE OPENING

On Thursday 14 April 2016 Capital Campaign Patron Lady Susan Satyanand and Associate Minister of Education, Hon Nikki Kaye, officially opened the Joyce Fisher Sports Centre, with the help of Mr Robert Lerner from the Joyce Fisher Charitable Trust.

The School and the community benefit enormously from this state of the art facility. The School thanks everyone who has been involved in bringing this project to fruition. The Joyce Fisher Sports Centre is the official building project for the School’s Centenary next year.

Our Old Girls Centennial Challenge to raise $500,000 for the full Sports Complex (including courts) by the Centenary will continue until 2017 and we still have EGG plaques to sell. There are Gold ($2,500), Silver ($1,000), and Bronze ($500) plaques still available. We are also selling Inspiration plaques for $250.

We are very grateful to all the Old Girls, individuals, businesses, trusts and sponsors for their generous support in helping us to complete the Joyce Fisher Sports Centre and supporting the Old Girls Centennial Challenge.

If you would like more information contact Suzy Hails on Tuesdays and Thursday at foundation@eggs.school.nz
EPSOM ANZAC SERVICE

Epsom students as well as students from other local schools again spoke and took part in the second Epsom ANZAC Service organised by Mavis Fenelon in conjunction with the Marivare Memorial Trust Board and Auckland Council Local Board.

SCRIPTOR SERIES

Last year the OGA initiated the successful “Scriptor Series” – evening events, through the winter months, when authors present their new books in a relaxed format. We had plans to run this event again this year but unfortunately our first Scriptor event on 22 June was cancelled due to low ticket sales. We do urge you to support our future events as they are fun way to raise funds for our school prizes and scholarships. If you are able to make a donation to our fundraising for prizes and scholarships we would appreciate it.

EPSOM HOUSE UPGRADE

On 13 May, Anna Logan, Architect and Old Girl and Sarah Stenson, Deputy Principal, officially opened the new Pohutukawa Block at Epsom House. It was a lovely occasion and good to see a lot of familiar faces from days gone by. The School has been waiting a long time for this building (which has been fully funded by Epsom House parents) and hopes this will be the start of more new blocks for the Epsom House students. Epsom House and the School thank everyone who has been involved in the completion of this project. Epsom House was originally built in the 1950s and was once home to former student Helen Clark.

Please support our Key Epsom House Sponsor and Partner Compass Group when considering services and catering that you need to purchase.

95TH ANNUAL GENERAL MEETING

The 95th Annual General Meeting of the Old Girls Association was held at the School on 13 June. The meeting acknowledged the hard work of the outgoing Co-President Kathryn Seagrave. A new Committee was elected with Sally Blyth and Lynley Banbury-Sheweir as Co-Presidents. We also welcomed new members Katharine Collins and Bridget Sullivan-taylor onto the Committee. The OGA was very pleased to recognise recently retired EGGS Principal Madeline Gunn and the former Manager of the EGGS Foundation Office Mark Rakich.
with Honorary Membership of the Old Girls Association. The recognition is for their service to the School and OGA and in helping to achieve the completion of Stage 2 of the newly opened EGGS Joyce Fisher Sports Centre. The OGA Statement of Service Performance and Financial Statements and AGM Minutes are available on the OGA tab of the School website at www.eggs.school.nz. See more photos on page 11.

**GINKGO TREE IN QUAD REMOVED**

Do you remember the Ginkgo tree (aka poo berry tree) in the EGGS Quad? Sadly it is no more as the lower branches had become unsafe. A new tree will be planted in the near future and thought is in process around this.

Ali’imuamua, a barrister in Auckland with a particular emphasis in South Auckland has for the last 20 years represented children, young people and their families and has been made Member of the New Zealand Order of Merit for her services to the Pacific community. The honour reflects her passion and commitment to working with Pacific communities and especially with young people. Ali’imuamua’s daughter Heleine Alofivae-Chankay currently attends EGGS.

The conductor was Rupert d’Cruze and the baritone Calium Poppy. David Sell said in The Press “Of the soloists, Morag Atchison was magnificent. **Elaine Berkowitz (Bell) – 1953-1956** is an author (pseudonym Chilli Kippen) whose recent Novel “The Captain Loves Caviar” was launched in Melbourne and is now in bookshops in Australia and New Zealand. It is a raunchy romp that takes place on board a five-star cruise ship and will delight readers wanting to try a new genre. Elaine believes that the encouragement she received from her teachers, Miss Redpath and Mrs Olde during the years she spent at EGGS and the prize for English she was awarded at the school in 1954 launched her lifelong career as a writer and her passion for words. Visit her website www.chillikippen.com to listen to a reading of a chapter from the book.
