## WHY CHOOSE A GIRLS SCHOOL?

Research continues to show the significant difference an all-girls school can make including academic achievement, self-confidence, social awareness and career opportunities.

Girls learn differently to boys and our teaching is tailored to meet their learning style.

In an all-girls school students have more leadership opportunities, participate more freely in discussions, feel empowered to perform competitively and take healthy risks through new activities and new areas of learning.

Debbie Mo - Hong Kong

I live in a homestay family. I am grateful that my host family takes excellent care of me, and they often take me to different places during the holidays, so that I get to know New Zealand better.

Lilly-Jo Kutz - Germany

I had the opportunity to try out a lot of new things that I wasn't able to try out before. Also the community and cooperation between students at Epsom Girls Grammar School are extremely great!

Federica Celia Zavala Rosillo - Mexico

Epsom Girls Grammar School has a wide variety of activities, cultural groups, and everything you can imagine, whether you lean towards sports or like to debate, including playing board games or learning a dance from another culture, Epsom will surely have an option that you like.

Sarah Keung - Switzerland

Epsom Girls Grammar School as a 'girls only' school was a fresh experience for me. It has turned out to be an excellent decision which allowed me to learn more about myself. It gave me the comfort and freedom to discover who I am and achieve what I personally want.
