GIVING TO
EPSOM GIRLS GRAMMAR SCHOOL

Your invitation to join the Epsom Girls Grammar School Legacy.

The school was established through an endowment of land in 1850 and officially opened in 1917.

Your legacy, support given through your Will (often referred to as a *bequest* or a *legacy*) is a unique way of reflecting your own interests, passion and vision for Epsom Girls Grammar School's future. Your legacy will create history and ensure that young women in the next generation will have the resources to learn and grow.

Whether making your gift in memory of someone close to you, to carry on your own name in perpetuity or to be given anonymously, it is a gift with true value that will make a difference to thousands of young women every year.

Epsom Girls Grammar School is a leading New Zealand school founded on traditions of service and commitment to girls' education and focused on developing young women to become confident and resilient learners, actively contributing to their communities.

What your Legacy gift will do...

As a school with a proud history and an enduring legacy in the community, together we are shaping the future of New Zealand.

The "residue" of your Estate is the pool of assets remaining once your estate's expenses have been paid and all specific legacies have been paid or satisfied.

If you wish to leave the whole or a part of your residuary Estate to The Epsom Girls Grammar School Foundation you will need to include the appropriate wording in the residuary provisions of your Will. You will need to discuss this with your legal advisor so that the appropriate provision can be made.
