Epsom Girls  
Grammar School

Volume 3, Issue 12 - August 2018

*Congratulations to the EGGS Premier 1 Netball team who made the final next week against St Kents, Wednesday 22nd August at Auckland Netball Centre, 7pm. This is the first year in about 10 years Epsom have made a final! The team would love your support, so if you have nothing planned, save this date in your diaries and we hope to see you at the courts in your Epsom supporters gear.*

Dear parents, caregivers and students

As you can see from the caption, above, the hard work and development in recent years has resulted in a place in the Premier Netball Finals. This is an outstanding achievement – come and join us as we cheer on the team next Wednesday!

In other sports news we welcome a new Director of Sport, Kaitlyn Savage – see the whole team in the Sports Department in this edition of EGGSNEWS.

It's a promising time of year with longer days just around the corner, and we have two special events to launch us into spring. At the end of the month we are proud to welcome Helen Clark to the Raye Freedman Centre. As I write this tickets are scarce, but it is wonderful to see that so many students have secured a seat for this event. It promises to be an evening to remember.

Secondly, in early September, the Old Girls Association brings us a private screening of *Leave No Trace*, starring young New Zealand actress Thomasin Harcourt McKenzie. The film has attracted accolades across the globe – see page 6 for details.

Congratulations to everyone involved in the KBB Music Festival - results are detailed on page 5. This has been a tremendous year of achievement for the instrumental groups and the staff who work with them.

Looking ahead, by the beginning of November we will be hosting "Meet the Maker". At this stage if parents and caregivers would like to be part of the team showcasing their products for this artisan food and beverage event, or if you would like to volunteer on the night or donate auction items, please see page 7 and then get in touch with Mark Jones.

If you are free this evening I can recommend the Incubate Art Show Opening from 6pm in the RFAC.

Ngā mihi / Regards  
Lorraine Pound - Principal

# BOARD OF TRUSTEES

Term 3 is historically the busiest in the school calendar and this year is no exception. For the Board Term 3 includes the finalisation of the Masterplan, the external ERO audit, the new 3 year Strategic plan and submissions to the various educational reviews currently underway.

ERO visited the school during the week commencing 30th July and while the final report is not due until early September the early feedback has been particularly encouraging. The Board would like to acknowledge the input from all involved to make this another successful ERO review.

The Masterplan is in its final stages of completion and we are pleased that the school now has a very clear vision in relation to our facilities. Priority has been given to certain projects to enable the school community to begin fundraising campaigns to materialise these projects. L Block is well advanced and will begin construction over the Xmas period and the next project is to improve the useability of Silver Road with safety a priority.

The new 3 year Strategic planning process has begun and thank you to everyone for contributing your views through the online surveys. This new strategic plan is important as we navigate our way through a changing educational landscape. While it is hard to predict the future it is important that EGGs has a tool box that builds on our strengths but allows us to be nimble and resilient across all facets of our school community. While we are very proud of the EGGs brand we must continue to strive to do what we do today even better tomorrow.

Two very important Ministry reviews currently in consultation stage include 'Tomorrow Schools' and 'NCEA'. Tomorrow's Schools was the name given to the reforms that dramatically changed the governance, management and administration of our school nearly 30 years ago. Included in this review is the future of the current parent – based Board of Trustees model and fairness of current enrolment schemes. The government is also looking at ways to strengthen NCEA and have listed '6 Big Opportunities' for discussion. Should anyone feel they would like to contribute during this consultation phase please visit the Ministry of Education website.

All the best for the students this term as they begin preparation for their internal and School examinations. To the leadership team, the teaching and support staff thank you for your contribution to what I expect will be another very positive ERO report. This is not possible without your continued commitment to EGGs. For everyone representing EGGs this term all the very best and enjoy the experience.

*Chris Iles, Board Chair*

### New Zealand Blood Service (NZBS) - Tuesday 21 August

New Zealand Blood Service (NZBS) will be holding a mobile blood drive at:

Epsom Girls Grammar

Assembly Hall

**Tuesday 21st August 2018 9am - 2pm**

#### **Information for Parents, Guardians and Whanau**

It is important that we encourage students into a lifetime habit of donating blood and making a worthwhile contribution to their community.

The Care of Children Act 2004 allows people 16 years and over to make their own decisions about whether or not they wish to give blood. Students may choose to donate blood at this session.

NZBS recommends students discuss becoming a blood donor with their family. If families have a particular objection to the student choosing to donate blood please make this known to the student and to the school before the blood drive date stated above. More information about blood donation will be available on the day of the blood drive.

Parents are also welcome to come to the school to donate blood at this blood drive.

If you require any further information please call 0800 GIVEBLOOD (0800 448 325) or visit [www.nzblood.co.nz](http://www.nzblood.co.nz)

## Year 12 Drama - *The Government Inspector*

On Wednesday 15th and Thursday 16th August, Ms Hesketh's Year 12 Drama class staged their production of *The Government Inspector* by Nikolai Gogol.

The play is a deeply silly satire of small-town corruption. When the crooked leadership of a provincial Russian village discovers that an undercover inspector is coming to root out their commonplace corruption, the town weaves a web of bribery, lies, and utter chaos.

The Year 12 students did a magnificent job of bringing fun, frivolity, and a ridiculous sense of enthusiasm to the stage. Ms Hesketh and Year 12 Drama would like to thank all the members of the EGGs community who came to see the show.

## Year 13 Drama Production - *End of the Golden Weather*

Year 13 Drama are delighted to invite members of the EGGs community to their production of *The End of the Golden Weather* on Wednesday 22nd August and Thursday 23rd August at 7pm in the Raye Freedman Arts Centre.

Inspired by playwright Bruce Mason's own childhood, *The End of the Golden Weather* chronicles the friendship between a 12-year-old child and the wild-limbed Firpo, a dreamer and a social outcast. Through the child's eyes we see the wonder of life on a perfect beach, in a perfect New Zealand, during a perfect summer. It's a world of magic and transformation, where anything can happen and miracles seem possible.

Since its first performance in 1960, the play has become a cultural touchstone, exploring what it means to be a New Zealander. Year 13 Drama at Epsom Girls Grammar School are proud to present their vision of *The End of the Golden Weather*, exploring elements of gender and race within the quintessential Kiwi classic.

## A Conversation with Helen Clark

We are very pleased to announce Helen Clark - former Prime Minister of New Zealand, Administrator of the United Nations Development Programme and EGGs alumna - will be speaking at this event culminating in a Q&A from the audience. The conversation will focus on being a woman and a leader and the role influential women play in the world, in politics and beyond.

Join an incredible evening where you will hear New Zealand's first elected female Prime Minister and one of the World's 25 Most Powerful Women speak about her leadership journey.

### BUY TICKETS

Ali Mau, a familiar face on New Zealand TV screens for over 20 years, a reporter and journalist, will be the moderator for the evening.

## Save the date....

### Meet the Maker, Friday 2 November 2018 7pm-10pm

Work is well advanced to arrange a special fundraising evening to enjoy craft beer and wine direct from the makers and at the same time, raise money for the redevelopment of L Block. You will be notified when tickets are available to buy but get in early as numbers will be limited.

### Make a contribution to "Meet the Maker"

While we have several well-known local brewers and wine makers confirmed, the event offers the opportunity for anyone in our EGGs community with artisan food or beverage offerings to showcase their products at the event; it may be your own business or one you work for/with.

A giant auction is also planned for the event and we'd love your contribution. For instance do you have a bach or holiday home experience to offer for a weekend? Any electronic items, homewares, restaurant sittings, vouchers, experiences or a chance to travel? All donations are welcome so please dig into your contacts and workplaces to see what can be tailored as part of the auction offering. Promotion to the school community will be on offer for all items donated.

Finally, we require some superstar volunteers to help things run smoothly on the evening. From bar work to selling raffle tickets - we need you. No prior experience needed, all help welcomed!

If you're keen to be a part of this special event as a supplier, volunteer or have an auction item to offer, please get in touch with Mark Jones, Foundation Trustee at [jonesandcones@gmail.com](mailto:jonesandcones@gmail.com) or 021494756.

## L Block Donor Wall of Honour

Have your name engraved on the Donor Wall of Honour and help us raise funds for the L Block redevelopment at the same time. For a one-off donation of \$500 you can honour your family, an individual, friends or lost loved ones on a dedicated wall inside L Block. Become a permanent part of EGGs history.

Thank you for your support.

## Family portraits by top NZ photographer

Michael Overend, one of New Zealand's most respected photographers, together with Timeless Images Photography has generously offered to support EGGs by donating family portrait packages. This package is valued at \$785.00 but it will cost you only \$95.00.

In return for your \$95 donation you'll receive:

- A consultation appointment
- A professional portrait sitting
- Two 150 x 200mm (6" x 8") prints

Family portraits help every family member to remember who they are, their role in the family and help create a sense of pride.

### [Book today](#)

The offer is limited and only available until Friday 21 September 2018. For more information please [click here](#).

## EMPLOYMENT OPPORTUNITY

### Weekend House Manager

Epsom House is the Boarding House for Epsom Girls Grammar School and has 150 girls aged from 13 – 18 resident seven days a week during school terms.

We are looking to appoint an experienced Weekend House Manager to work with the Assistant Principal of Epsom House and other senior staff with management duties and the care of students. Other responsibilities will be to maintain a safe and supportive environment for students at Epsom House and to contribute to the development of a learning environment in which the vision and values of the school and the goals of the school may be achieved within the specific context of Epsom House.

This is a senior position and a background in education with some previous experience in boarding or work with adolescents is desirable. Experience in management, restorative practises, guidance or property management would be advantageous.

The hours of work will be from Friday 10.00am until 8.30pm, Saturday 6.30am until 3.30pm, Sunday 3.00pm until 10.00pm and Monday 6.30am until 1.00pm.

All applications **must** include the support staff application form.

## Lacrosse

Congratulations to the Lacrosse A team who are back to back winners of the College Sport Division 1 season. The following week, they proved to be the best in Auckland by winning the Auckland Secondary Schools Championships for the second year in a row. No school managed to score against them throughout the entire tournament. Well done on that awesome achievement and good luck for the upcoming Nationals.

B team also played in the Auckland Secondary Schools Championships and placed 3rd overall.

## Netball

### New Zealand Secondary School Team

Epsom Girls students Killarney Morey, Bianca Nagaiya and Greer Sinclair have been named in the Netball NZ Secondary Schools team for 2018. This is the second year Greer and Bianca have been selected and are pleased to have their Premier Netball team mate Killarney joining them this year. It has been a long journey to selection with NZSS camp in January and age-group Nationals in July doubling as the NZSS trials. A deserved reward for the trio's commitment, work ethic and passion for their sport. The NZSS team travels to Australia in October to play against the best age-group athletes from Australia and England.

*Selected for the NZSS Netball Team for 2018 - Greer Sinclair, Killarney Morey and Bianca Nagaiya*

### Combined Points Tournament

Epsom Girls Premier Team may have created history by winning the Combined Points Premier Grade. In section play the team were too strong against their opposition and moved to the quarter finals unbeaten. A tournament draw saw them advance to the semi-finals where they met OTH College. Playing skillful netball in the wet conditions, a dominant semi-final win had Epsom playing surprise finalists Avondale College. Avondale had a towering 7-foot shooter and it took all of Epsom's smarts, skills and tenacity to overcome their opposition and in the end win the final comfortably. Our Year 9 and Year 10 teams did well to come through their 5 section games with only 1 loss each. Thank you to Krystal Falepeau and Antonia Whitlock who coached both teams on the day.

## Adventure Racing

On Tuesday the junior adventure racing team had some fantastic results and for the first time qualified for the grand final, held in December on Great Barrier.

Congratulations to the following students on their most successful junior event to date:

Qualifying team for the grand final – Emily Hayes, Amelia Wood, Katie Burmester and Danielle Gibbs.

4th placed team – Rebecca Clark, Josefina Stephens Campos, Emily Wan and Zainab Bandukwala

5th placed team – Maia Barclay, Hannah Brathwaite, Scarlett Buissink, Rici Chambers, Eliza Hickton, Megan Hume, Bee Townsend and Sasha Tuxford

7th placed team – Georgia Bradley, Georgia Howarth, Sophie Ellett and Grace Foulkes-Austin

Special mention to the 5th placed team (which features many of our top mountain bikers) as they won the mountain biking section of the event and were the top all girls team in the whole event placing higher than a lot of co-ed and boys teams.

Thank you to Miss Brooks and Miss Carlton who transported and supported the team on the day!
