EGGS Old Girls Jan Beagle (left) and Vivien Whyte

A Year 9 tutor group with their Peer Tutors on the first day of school for 2019

Dear parents, caregivers and students

News in from New York:

On the 18th of January Vivien Whyte, as part of a UN Youth tour visiting different organisations and people working on sustainable development, met with fellow EGGS Old Girl Jan Beagle at the UN Headquarters in New York. Jan Beagle is the current UN Under-Secretary General and a tremendous advocate for gender equality, fostering women being in senior positions and addressing sexual harassment in the workforce, as well as being at the head of the UNAIDS programme. She has had an extensive 35 year career in diplomacy which she touched on in her meeting with Vivien, as well as recounting the immense opportunities she had in Aotearoa during her school days, both in education and co-curricular activities. However, she said the biggest thing she learnt throughout her career, which mainly deals with multilateral negotiations at the UN, was to be kind to everyone because you never know where life will take you and who you'll meet again.

The year started with a powhiri for all new students and staff last Wednesday; all students on site in their tutor groups on Thursday, and everyone on timetable on Friday. This week has been a gentle introduction with Waitangi Day on Wednesday and next week will be the first full week with our Senior Leaders' and Scholars' Assembly and the Swimming Sports being highlights of the week. Year 9 students are finding their way around the School and I would like to thank the Year 9 Team and the Peer Supporters in particular for easing the transition for the new students.

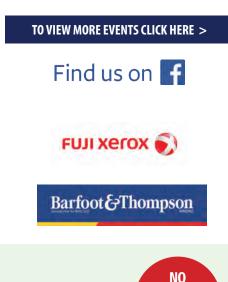

You can see on Page 3 the very high level of achievement in 2018 for students in NCEA and NZ Scholarship. Congratulations to all students and teachers on these well-deserved results.

BOARD OF TRUSTEES

Welcome to a new school year and I hope the festive celebrations and holiday season was enjoyable for all. I would especially like to welcome the new staff and students who begin their EGGS journey this year and I trust the transition is warm and friendly.

Late last year the 'Tomorrows Schools' independent report was released for consultation and together with the school's leadership team the board will be reviewing this over the coming months. There are significant changes recommended that impact the governance of schools and aim to provide centralised support to trustees in areas such as property, recruitment of principals, disciplinary issues and legal matters. The Board of Trustees' role would continue to focus on strategic planning, implementation and overall school performance.

This year in June is the board election and further details will be shared with the community over the coming months. I also encourage

anyone who is interested in becoming a board trustee to attend a monthly board meeting as an observer. Please find meeting dates and times on the school website.

I look forward to another year working with a very capable group of trustees and a passionate leadership team as we continue to roll out the strategic objectives and action plans to build on the strong EGGS reputation. I wish everyone a very successful 2019.

2018 NCEA RESULTS

EGGS students have again achieved some outstanding NCEA results in 2018. 87.4% of Level One students achieved this qualification, 93.6% at Level Two and 84.7% of students at Level Three. 77.8% of Year 13 achieved University Entrance. The graph below illustrates Epsom Girls Grammar School student achievement (in blue) against the National Achievement rate (orange) and the decile 8-10 comparison group (grey). Epsom Girls Grammar School is of course a decile 9 school.

Achievement in NCEA and UE: EGGS with National and D8-10

While the 2018 figures provide a picture of high achievement, they actually reflect a small drop in the overall pass rate. This is a trend that has been reflected nationally due to the new measurement tool implemented by NZQA to better reflect the way that the Ministry gathers data. This new tool now includes only domestic students and includes those who have been enrolled at EGGS for any length of time during the school year. The 2018 Certificate Endorsement rates continue to sit at a high level and haven't been affected by the new measurement tool.

All students are to be congratulated on their results. It is really key that students keep informed as to what the requirements of each NCEA Level Certificate are. There are special NCEA assemblies for each level in the coming weeks. There is also an information evening for parents in Term 2 on the 1st of May.

Scholarship

In 2018, EGGS students gained a total of 72 Scholarships including 4 awarded at Outstanding level. These scholarships were spread across 21 subjects, showing a depth of achievement at the highest level across a broad range of curriculum areas.

Community EGG

We are excited to have the Community EGG up and running for another busy year, 2018!

This year we aim to further foster and maintain the bonds between EGGS students, groups and committees. The Community EGG works with a large number of people, and we hope to build upon a strong sense of community within the EGG itself so we can have as much fun as possible! Whether it be welcoming our international students, providing peer support for incoming Year 9s, or holding fundraisers to support charities within the community, we acknowledge the countless people involved and trust our groups and committees to put their best foot forwards for yet another year.

Exciting upcoming events include the Year 9 BBQ and ANZAC Day services.

We hope to promote school spirit, and provide opportunities for students to get involved within our community to make this a year one to remember.

OGA NEWS

Happy New Year to everyone. The Old Girls Committee is gearing up for our first meeting of 2019 to be held on Monday 11th February. It's a time for planning and reconnecting and we'll be starting to prepare for the various OGA events we'll be holding this year.

Actually, we've already held our first official event!

Morning Tea at Edmund Hillary Retirement Village

On Friday 1st February a group of 16 EGGS Old Girls gathered together in the private dining room at Edmund Hillary Retirement Village in Remuera for a morning of memories and conversation. Past Headmistress Gae Griffiths moved into the Village in 2018 and she spearheaded this well-attended occasion.

Co-Presidents Sally Blyth and Lynley Sheweiry, and Committee Secretary Virginia Bishop, also attended, arriving with plenty of memorabilia for the ladies to look at – old Yearbooks, photos, merchandise etc.

Many of those who attended knew each other as Village residents, but the matter of where they (and, in a number of cases, their daughters and grand-daughters) had attended school had never arisen – so it was a surprise for some of them to discover the EGGS connection. It was a wonderful and uplifting occasion and the group expressed an interest in getting together again.

Thanks to Edmund Hillary staff for assisting with organisation and providing the delicious morning tea, and to Gae for getting this great initiative off the ground.

New Committee Members

Meanwhile, we are really thrilled to have two new members – Luci Chambers as our Student Rep and new Alumna Claudia Chaney, who graduated last year. It's great to have fresh young faces and we look forward to an exciting fun-filled year of connections and social occasions with purpose.

Happy 2019

Wishing all 2019 students and families a wonderful year of achievements and memories. To the Year 13 girls – work hard and be happy; we'll see you at Graduation Dinner in December!

Creating a charitable legacy can be one of the most lasting and impactful acts you can do, and the EGGS Foundation would love to partner with committed individuals who are ready to take that step. You can create a bequest for the future that supports the causes you care about the most including education, sports, teaching, and the arts and culture, or you can leave a gift that meets the most critical needs of the school over time. With your generosity, we can advance learning at EGGS.

Making a gift in your will is a unique way of reflecting your own interests, passion and vision. Whether you wish your gift to be made in memory of someone close to you, to carry on your own name in perpetuity or to be given anonymously, it is a gift with value that will make a difference to thousands of young women every year.
