

Ribbons for Christchurch

Dear parents, caregivers and students

Today has been a day of reflection and support for the victims of the Christchurch shootings which happened one week ago. Throughout last weekend as the nation was in shock and disbelief, people also very naturally began showing through their actions New Zealand's shared values of respect for each other; of kindness and compassion; of knowing, understanding and appreciating each other. Throughout this week here at school students and staff have supported each other and today has been what has seemed a very fitting way to mark the one week anniversary of those tragic events.

Next week we will be catching up on all the Polyfest results and catching up on the student strike for climate event. EGGs students were involved in the leadership and organisation of the event and appearing in media interviews. We hope to have an article from them in the next edition of EGGsNEWS.

Term 1 student led conferences are next Thursday and Friday. We look forward to seeing parents here and students have constructed rich profiles across the curriculum relating to their learning at this point in the year. Connecting face to face is always a valuable opportunity for discussion and also for having queries answered.

Good luck to all teams for Summer Tournament next week. Kia kaha.

Ngā mihi / Regards

Due to the recent publicity in the news media about the measles outbreak in the South Island, reported cases in Wellington and three cases in Auckland as at 13/3/2019, this is a timely reminder to check your daughter's immune status to measles. CAREER NEWS

Gap Year and Exchange Expo

At lunchtime on Tuesday 12th March, 12 Gap Year and Exchange organisations came along to our annual Expo. Hundreds of students passed through the Expo during their lunch break and eagerly snapped up a lot of information about possible future volunteering roles, work and travel.

Exchanges and Gap Years are great ways for our students to gain more insight into our world and to the issues that drive the global economy. Often a Gap Year is taken the year after a student finishes their schooling, while an Exchange can often happen for as little as 2 months over the summer holidays or up to a year. Make this a dinner time conversation and help our students become more global!

CURRICULUM NEWS

Year 12/13 Drama Trip

On Thursday 14th March, some of the Year 12 and 13 students went on an optional trip to see the opening night viewing of *A Man of Good Hope*, put on as part of the Auckland Arts Festival this month, as well as enjoying a fantastic dinner at Miss Clawdy beforehand.

The show follows the life story of a young Somalian refugee, Asad Abdullahi, and his hardships as he moves to Ethiopia, where he learns a new way of life, before setting his sights on the 'promised land' of South Africa in which he finds a harsh reality for himself and his family.

Based on the book by Jonny Steinburg, the production features a vibrant, lively and energetic cast from the South African Isango Ensemble working in collaboration with the UK's Young Vic. Accompanied with incredible music and riddled with authentic African culture and tradition, the show put together an incredible story of resilience in light of one of the greatest humanitarian crises of our time.

The show itself was thoroughly enjoyed by all the students and staff, earning a standing ovation at the end, and likely leaving a lasting impact on the entire audience with its powerful message.

From the Languages Learning Area

St Valentine's Day and Mardi Gras

To celebrate Valentine's Day (14th February) and Mardi Gras (5th March), the Languages Learning Area held a mask competition. Valentine's Day was originally a Christian feast day honoring Saint Valentinus. Mardi Gras is French for "Fat Tuesday" and reflects the practice of eating rich, fatty foods before the ritual fasting of the Lenten season. Both are celebrated in some of the countries where the languages we are learning are spoken. For this competition, students were free to get as creative as they wished and we were pleasantly surprised with the masks that were submitted. It was tough job to award winners but Year 13 language students settled on the following:

Over all winner - Carise O'Brien (Year 9)

Best Year 9 Mask - Maggie Frizzell

Best Year 10 Mask - Beau Roche

Best Senior Mask - Aysun Kokcu

The winning masks will be displayed in P Block. Congratulations to these girls and a big thank you to everyone who took part.

ARTS & CULTURAL NEWS

Fia Fia Night *(photos by Annalise & Briana)*

Saturday Night saw our annual cultural event, Fia Fia Night. Showcasing the myriad of different cultural groups at Epsom Girls Grammar School students performing their “traditional with the modern twist” dances or traditional performances from their countries. This event is the lead-up to the upcoming Polyfest and allows students to perform to the communities who support them.

All the performers looked beautiful in their colourful and stunning costumes. Their dancing and singing voices were powerful and lingered to everyone's minds at the end of the evening. The audiences were encouraging the groups and giving the performers the energy they needed to perform. The event was a fun and family friendly affair, with food stalls selling cultural cuisine from 4:30pm.

We are lucky to have incredible multi-cultural diversity at EGGS and to have such support from the Epsom community, as was evidenced by a very full school hall, the huge smiles on stage from all of the performers and behind the scenes. Congratulations and thank you to all the cultural groups, it was an outstanding evening. Thank you to all the parents, caregivers, tutors and communities, the teachers in charge and leaders, this event would not have happened without your hard work, support and dedication. Thank you also to the student technical group and the photographers, Mrs Koko Purdy the Arts and Cultural Assistant, Vaughan Williams as supervising technician and Kayla Wolfenden the Assistant Cultural Coordinator. *(more photos on [page 10](#))*

Donor Wall of Honour

What is the Donor Wall of Honour?

The Donor Wall of Honour will be a permanent exhibit of individual or family names featured on a dedicated wall inside L Block. While honouring your family, an individual, friends or lost loved ones, you will at the same time help us transform L Block into an innovative learning space.

How can I place a name on the Donor Wall of Honour?

The names of individuals and families will be inscribed on the Wall of Honour for posterity as gifts of remembrance through donations made to advance learning at EGGs. You can place a name on the Wall of Honour by completing an online donation form. For each contribution of \$500, your name will go on in perpetuity allowing future generations to benefit from your kindness.

Alternatively, you can contribute any amount you choose, small or large.

Leave a lasting legacy

Creating a charitable legacy can be one of the most lasting and impactful acts you can do, and the EGGs Foundation would love to partner with committed individuals who are ready to take that step. You can create a bequest for the future that supports the causes you care about the most including education, sports, teaching, and the arts and culture, or you can leave a gift that meets the most critical needs of the school over time. With your generosity, we can advance learning at EGGs.

Making a gift in your will is a unique way of reflecting your own interests, passion and vision. Whether you wish your gift to be made in memory of someone close to you, to carry on your own name in perpetuity or to be given anonymously, it is a gift with value that will make a difference to thousands of young women every year.
